To Whom It May Concern

Re: Rubén Enrique Padilla Robles

D.O.B: 3 August 1983

I am writing to confirm that Rubén Enrique Padilla Robles registered as a full-time post-graduate taught student at the University of Manchester for the award of MSc Advanced Computer Science on 18th September 2017, when the programme started.

This is a one year course and the student is expected to complete the course by submitting a dissertation on or before the 14th September 2018.

Results are released week commencing 12th November 2018 and the graduation ceremony takes place in December 2018.

Please do not hesitate to contact me if further information is required.

Yours faithfully

Mrs Susannah Hymas
Postgraduate Administrator
School of Computer Science
